## Show Ambassador Program Information

---

Lang Pioneer Village Museum is seeking a youth (age 16-25) with outstanding customer service skills to be the **28<sup>th</sup> Annual Smoke and Steam Show Ambassador**. Successful applicants will need to attend a planning meeting with museum staff (date and time TBD), and the Smoke and Steam Show event on **Sunday, June 15, 2025, from 9 am to 4 pm** to assist in the activities of the day; and will get the opportunity to see and be involved in a successful tourism event at one of the region's premiere attractions.

### **The Elements of the Program Include:**

**Event Coordination:** Working with the Museum's staff and event volunteers to oversee a range of activities on the event day.

**Behind the Scenes Education:** Providing a "behind the scenes" look at event coordination at a living history museum and tourist attraction.

**Social Program:** Ability to network with other peers in the industry, and community members, as well as to make contact with facility operators in the tourism and museum industry.

An ambassador program by its nature is a balance between the work needs of the employer and the education needs of the youth — The Smoke and Steam Show Ambassador Program will balance these needs by providing mentorship and feedback, as well as hands on experience. Part of that balance is the expertise the Museum provides and what we expect each Ambassador to bring to the show.
